## FINANCIAL AND COMMERCIAL

## The New York Markets.

New York, April 19.—Stocks were even more responsive to the war news today, leaping forward one to three points in the very active first hour, but the movement lost much of its spontaneity later, many gains suffering material reductions on realizing for profit. Dealings exceeded in breadth any session since the inception of the German drive.

United States again overtopped all other stocks, its irregular course on a very large turnover serving as a guide to other favorites. Steel finally dwindled to a small fraction.

Other strong and active industrials, including the independent steels, International Harvester, Baldwin Locomotive, American Locomotive, American Car and Railway Steel Springs at temporary gains of one to two points.

In anticipation of an adverse bank statement call money stiffened from its early rate of 4 per cent to 5, most loans being made midway. There

was only a nominal inquiry for time funds at unchanged quotations.

Bonds were active and stronger, including domestic and foreign government issues, Tokio 5's adding 2½ points to their recent advance. United States bonds (old issues) were unchanged on call.

"FLAME OF THE YUKON"

IN EIGHT REELS

"Carmen of the Klondike" is the most tense and gripping drama of the silent north ever shown, where man's passions make the law and a man's standing depends upon his brute strength. The fight scene makes one think they are no longer humans but raging beasts. This picture surpasses "The Spoilers," "The Barrier," and "The Flame of the Yukon."

## WORCESTER LIBERTY LOAN.

Mass Meeting With Moving Pictures to be Held on April 24.

Worcester, April 19.—The members of the Third Liberty Loan committee met at the Wieting opera house last Wednesday evening for the purpose of planning a meeting to be held in this village Friday evening, April 26. An interesting entertainment is being arranged, consisting of motion pictures showing "The Battle of the Somme," "The Seventh Son," etc. The committee has been very fortunate in securing the attendance of Sergeant Downes of a Canadian regiment, who was wounded at the battle of the Somme, to tell of his experience as the pictures are shown. There will also be special music, both vocal and instrumental. The towns of Decatur, Westford and Maryland are especially invited to attend this meeting.

LOCAL EDITORIAL COMMENT.

### Getting Ready for Gardening.

Last year there were many gardens planted in Oneonta where few grew before, and the aggregate value of the products thereof mounted up to tens of thousands of dollars. This year there will doubtless be many more, and the experience of 1917 will be a valuable asset in the work of preparation. Something doubtless was learned by the regiment of amateur gardeners from their successes, but much more from their failures; and this season there is no doubt, if climatic conditions are favorable, which a year ago they were not, the gardens will go over the top in the way of productivity.

It is therefore urged that every man who can do so, and every woman and child, devote as much time as possible to gardening. On the other side of the Atlantic there are hundreds of thousands already of our countrymen risking their lives for the cause of humanity. This is a call which will not come to all, and if it did could not be answered. But we should do what we can; and since food is an important factor in sustaining any conflict, there is every reason why so far as possible we should devote our time to its production. It is for us, therefore, to get out our spades and shovels and hoes, and with these for weapons and with garden seed for ammunition, begin our spring drive on the Kaiser.

### Women as Voters.

In an earlier issue of The Star, referring to the election which then was pending but which is now past, reference was made to the fact that along with the excise question, which was the paramount issue, woman as a voter was also on trial—that upon the extent to which she exercised the franchise, and the care with which it was done, depended the verdict to whether it should have been granted at all. The election did in fact decide this question, and in the affirmative. Only a very few of the ballots cast in any of the districts were defective in any way, and probably as many of these were cast by men as by women. The city over there were perhaps more cases than usual in which voters spoiled their ballots before casting, and came back for another ballot. But even of these there were but few, and in numbers the male voters asking for a second ticket were probably as numerous as the women. In either case, however, the demand for a second one was more than anything else indicative of unusual care in making out the ballots, of careful scrutiny before they were cast and of a desire that there should be no mistake in the expression of convictions.

All honor to the women of Oneonta! They voted as quietly, as generally, as correctly, and as expeditiously as the men. And to them, if not the issue of the election, at least the overwhelming size of the majority was due. Nobody will hereafter dare to make the assertion that women don't know how to vote.

### Oneonta and the Liberty Loan.

Oneonta is to be congratulated on the success which thus far has attended the campaign for the Third Liberty Loan. The sum already subscribed is a satisfactory one and indicates that the entire amount asked of the city can be raised if the present rate of progress is continued. In particular the small subscriptions are coming well toward the front. The railroad men, who in the last campaign subscribed so largely, are evidently coming over with a sum as great as in November last, laboring and salaried men and those with comparatively moderate incomes are putting down their names; and in the surrounding country the farmers are realizing their obligation in a time of national peril and are coming in with liberal subscriptions.

It is, as above stated, a fairly satisfactory outlook, but on that account no one should slacken his efforts or for an instant lose sight of his personal obligations as a citizen. No one should allow others to discharge his duty for him. And if each and every one comes forward with application for his just share of the loan, we will go over the top with flying colors. This is just what Oneonta should do—not merely to make up the minimum quota, but with a substantial surplus, as large as it can be made, to fling defiance in the teeth of the Hun.

### Now Comes Clean-Up Week.

Following the opening of the spring season comes the annual clean-up period. In general, due doubtless to the campaign of education and action carried on in other years, there is less cleaning up to do than usual, but such as there is will stand out the more glaringly. With the end of the present month most of the rubbish will be out of the way, most front yards and back lots will alike take on a suitable appearance, and if there is something left to do, it will surely be attended to during clean-up week, at a date later to be announced.

Oneonta. It is the verdict of impartial visitors is one of the prettiest of the state. Many of them be-

lieve it is the best kept. The record which our city has made for itself should and doubtless will be fully maintained.

### The Chandler Speech.

Those who had the good fortune on Thursday evening to hear the patriotic address delivered at the First Presbyterian church by Hon. William H. Chandler are enthusiastic in their references thereto. Clear, forcible and convincing the New York congressman traced the causes of the present war and placed before his audience in striking contrast the principles and policies of the Hun and those which are embodied in the declaration of the United States in its struggle, not for its own aggrandizement, but for humanity. No one who heard him will forget the striking apostrophe, which in the form of a prayer formed the closing paragraphs of his wonderful address.

From time to time in the public press reference has been made to Mr. Chandler as one to whom greater honors than those which he now has should be accorded. Should candidacy for a higher position come to him later, there is no doubt that it would favorably impress all who had the privilege of listening to him Thursday evening.

### Better Looking Streets.

Elsewhere in this issue there is reference to the good work which the public service corporations of Oneonta are doing in the way of removing the larger part of the poles which not long ago made the business streets of the city look like a veritable forest of trees, sans verdure. The construction of conduits and placing the largest share of the telephone wires underground, and the removal of the light and power wires to the rear of the buildings, has permitted the taking away of a large majority of the poles, and these the tallest, from the principal thoroughfares, which have gained largely in appearance of wider spaces and of actual beauty. In this the trolley company has co-operated effectively so far as has been possible; and the good work which has been done is everywhere commended.

### SPARE THE HEIRLOOMS

Danger in Housecleaning that Valuable Records May Be Destroyed.

When in the midst of spring housecleaning the careful housewife gets to the attic, she should go at the task with caution especially if some time has elapsed since it has been redded up, is the advice of the state college of agriculture at Cornell. In the general tendency to give good riddance to bad rubbish valuable old records and letters may be destroyed.

The college has prepared and now has available for free distribution a timely bulletin entitled "Attic Dust and Treasures." It is known as Number 61 in the Cornell Reading Course for the Farm Home and it is free to any one who may care for a copy. Writers of history often find that valuable information for their work comes from old homes where, stored in the attic in a forgotten corner, are trunks and chests of papers and letters.

"Attic Dust and Treasures" tells about some of these ancient records and contains several facsimile reproductions of the old documents. Among them is a letter written by Peter Schagen in 1626 telling of the purchase of Manhattan Island, a leaf from an old account book kept in 1782, a document concerning the sale and freeing of negro slaves in New York, a doll 150 years old, old prints of New York or New Amsterdam in 1773, and a number of others.

### HEAD OF STATE BUREAU.

Superintendent Clemens of State Industrial Commission Visits Oneonta.

W. T. Clemens, superintendent of the Bureau of Employment of the State Industrial commission, whose office is in Syracuse, was in Oneonta yesterday and held a long conference with Farm Labor Specialist P. R. Bennett. Mr. Clemens intimated that the work of securing farm labor throughout the state was meeting with universal success and he expressed much satisfaction with the work being done by the local office. During the past week Mr. Bennett has been exceptionally busy in booking orders for help and also securing positions for men seeking employment. It is a fact that Mr. Bennett has at his disposal a number of High school boys who might be used in moderation and where supervision can be maintained over them.

Many of the farmers have pleasant memories of the successes they had last year with farm cadets and as soon as school closes many of the boys will find welcome homes where they served last year.

Mr. Bennett is particularly anxious to have those seeking employment and those needing farm labor file their applications at the earliest date and thus avoid confusion while the heavy demand for help is on.

Mr. Bennett's office is in the Chamber of Commerce rooms.

### Tabloid Battle Verse

In a regular Niagara of war poetry we confidently submit the following gem, which, for tabloid satisfaction as well as metrical excellence, is deserving of some kudos:

"We've stopped the Bosche,"

Said General Fech.

### Addresses Men's Club.

City Attorney Owen C. Becker was in Oneonta last evening attending a meeting of the Men's club at the Presbyterian church, which he addressed upon Crime and the Criminal.

## THE RESULTS IN TUCSON

Congressman Fairchild Reports That All Classes of Citizens Now Approve of the Bone Dry Law.

The following letter was received by Rev. Dr. J. C. Russell on Monday last, but it reached The Star office a few hours after notification had been given both the dry and wet advocates of the city that no further publicity would be inserted, the decision being based upon a conviction that nothing should be used that did not permit time to refute or answer. It was not believed consistent to advise against consideration of last-minute assertions or arguments and then to use any new matter of any sort.

The letter is published now to give the information to those who supported the dry side of the campaign and to reassure them. As is quite well known, Congressman Fairchild's son, Sherman, is in Tucson upon the advice of several physicians, and that he must remain there or a similar climate for an extended period, if not indefinitely, these physicians are agreed. Naturally Mr. Fairchild has paid frequent visits there. He writes to Dr. Russell as follows:

"In response to your inquiry as to the results of my observation as to the effect of the operation of the bone dry law in the state of Arizona, during my recent visits there, I beg to state that I took a deep interest in investigating both through public officials and individual citizens, the matter you inquire about, and I am free to say that there is no question whatever that a great benefit has come to the people of Arizona from the temperance laws now in force there. In Tucson, a city of 25,000 people, I found that previous to the passage of the bone-dry bill, there was much uneasiness among real estate and business men as to the possible depressing effects on business and real estate of the proposed new law. The results, however, show that their fears were unfounded. In Tucson today there is not a vacant store and the city has experienced in the past two years of rigid enforcement of the temperance law a growth more substantial and satisfactory than ever before known in its history in that length of time. I talked with men who had been for years regular drinkers—in fact I talked with all classes and conditions of men—and I did not meet a single individual that did not heartily approve of the new law. "Trusting that the foregoing information, which you are at liberty to use, is on deem advisable, may be of interest. I am, Sincerely yours," G. W. Fairchild.

**LOCAL MENTION.**

—The members of the Red Cross cutting committee will meet this afternoon at 2 o'clock at Mr. Baird's garage.

—An article intended for this issue relative to the removal of telephone poles from the business section of the city is necessarily omitted. It will probably appear in Monday's paper.

—The four-minute talks on the Liberty Loan given at the theatres last evening were brief and timely presentations of a most important subject and had the close attention of all who were present.

—The firemen were called out twice yesterday by grass fires. At 1:44 p. m., they responded with the big truck to the fair grounds where a fire threatened to reach floral hall. About 3:30 the men responded with the chief's car to a call for a fire back of Clinton street.

—Fitch Gilbert Jr. of Gilbertsville, who had been in the city for a day or two on business, drove away from the store of Arthur M. Butts yesterday with a Case tractor, one specially adapted to plowing and farming and suitable for drawing seeding machines of all kinds.

—Edward Purcell, a D. & H. trainman residing in Carbondale, Pa., who sustained a sprain of the right knee at Lanesboro, was removed to the Fox Memorial hospital on his arrival here yesterday in the ambulance of the Allied Trades. The injured member was given attention and he returned home on the evening train.

—The Ladies' Aid society of the Elm Park Methodist Episcopal church held a well patronized warm sugar social at the church parlors last evening. Thirty-five were present from Oneonta city, and the proceeds were \$23. Miss Mariam Burrell gave a reading. The Old Judge's Story, which was much enjoyed by all present.

—Fire alarm box No. 35, at Broad and Prospect streets, in front of the D. & H. station, has been temporarily taken down by the fire department while the telephone linemen are changing the wires and removing poles on Broad street. The public is asked to make prompt use of the telephone in case of fire in that vicinity. The nearest box to No. 35 is No. 36 at Chestnut and Market streets. Announcement will be made through The Star as soon as the box is relocated, telling where it may be found.

**BOND SALES STILL BOOMING**

Total Reported to City Banks Now Amounts to \$281,050—Transportation Department of D. & H. Has \$22,650 and Locomotive Department \$24,900.

Liberty Bond sales in the city and among D. & H. employees continue with gratifying interest and enthusiasm, the situation across the water stimulating the sales and the admirable speech of Congressman Chandler, which many read with interest, no doubt aiding. The total reported to the city banks at the close of business yesterday was \$281,050, the amount added for the day being \$9,450. This does not include doubtless the larger part of the subscriptions of the D. & H. employees.

The committee of the transportation department of the D. & H. on this division kept busy during the day and the total reached was \$22,650, of which \$12,400 will be credited to Oneonta. The balance goes to the credit of other towns along this division. The division accountant's department subscribed during the day to \$2,550. Superintendent McNeill last evening expressed himself as delighted with the response and is confident that the good work will be kept up.

The locomotive department is setting a fast pace, Mr. Donellan's force having a vigorous and active committee. The total in the city for the day was \$3,250, making a total for Oneonta of \$26,150. From outside points on the Susquehanna division there has been secured \$3,150, making a grand total for this department on the division of \$24,900.

The city canvassers, while active, are not reporting as gratifying results as the company employees and the city will have to look well to its standing. It is hoped that the city outside of the company's men will keep the standard set by the railroad men.

**WAR PICTURES AT THEATRE.**

Seven-Reel Representation of Our Army and Navy at Theatre Sunday. Pictures to stir one's blood and to swell the heart with patriotic emotion will be presented at the Oneonta theatre Sunday afternoon and evening. In them the nation's preparations for war and the army and navy of the United States in action will be shown—seven reels of them—by permission of the government, which has allowed these dramatic representations of real life in wartime to be made. There will be two performances only, one at 3:30 p. m., and the other at 7:30 p. m., on Sunday, and it is believed that there will be crowded houses at each performance. It is urged, however, that as many as possible attend in the afternoon, thus assuring room for all others in the evening.

The pictures, which were secured only after persistent efforts by Justice A. L. Kellogg, who is also chairman of the Oneonta County Defense committee, are in such demand everywhere that only a small number of requests for them can be supplied. In Kingston, where they have been shown, Supreme Court Justice Hasbrouck writes that there was no possibility of giving admission to those who wished to attend, either in that city or elsewhere in Ulster county.

In addition to the films a ten piece orchestra will assist in the performance. The net proceeds of the entertainment go to a worthy war charity. The admission will be 25 cents.

**FOUR ANSWER "WANT COLUMN."**

Three Employees of the D. & H. Join Military Forces—Others Needed.

In answer to the publication Thursday of the "nation's want" column, four men enlisted in the military forces of the United States through the Local Board, three of them employed by the D. & H.

They are: Robert L. Stevenson and Daniel Krothe as railroad brakemen; Martin S. Donlin, as airbrake inspector; and Martin F. Slater, as plumber.

The Board stated in making these names public that the demand for railroad men for service abroad is very great at the present time, even yardmaster's being needed.

**Think: For God's Sake Think.**

Tonight our boys over there are in the darkness and the mud of the trenches, under the ceaseless thunder of guns and screaming shells. Through the long dreary hours, as they wait and watch in the dark, their thoughts go back to warm cozy homes that they left and they wonder if we are helping to build ships with which to send them help. They wonder if we are helping to build airplanes with which to beat back the beastly and brutal Hun—and thus help to get them out of this living hell. God help us to think that by taking Liberty bonds we are furnishing this help. And then when they come back home we will tell them how the safe Oneonta Building and Loan association made small amounts accumulate to hundreds of thousands of dollars with which to help get them out of the trenches and how it will help to get them homes and farms, on easy terms and at a low resultant interest rate. advt 1t

**SPECIAL DRESSINGS ORDER**

ONEONTA RED CROSS TURNING OUT BIG CONSIGNMENT FOR GOVERNMENT.

Women Working Seven Days a Week, and Have Opened Cutting Rooms in Baird Garage to Turn Out Work in Quantity—One Box Sent Off 24 Hours After Order Is Received.

The Oneonta chapter of the Red Cross has received a large order from the United States government—as has every chapter in the country—for quick delivery of surgical dressings. Within 24 hours after its receipt, the local organization shipped a box of the dressings. The exact number of articles, however, was withheld upon the order of the war department.

Even the size of the order would not be stated by the officials of the society, but that it must be a large one is shown by the fact that the women have opened up special cutting rooms in the George Baird garage, where they will work every day, including Sunday afternoons. Seven days a week will also be put in at the surgical dressings rooms, at 168 Main street, to rush the order through.

Acknowledgment of the shipment of old clothing to refugee people of Belgium and France has been received by the Oneonta Red Cross from the Belgian Relief commission with thanks.

Mrs. DePuyser Townsend, an active Red Cross worker, who spends her summers at her home on Orsago lake, has been asked by Albert T. Tamblin, director of chapter development work of the Atlantic division, to visit some of the Red Cross chapters in this locality. On last Wednesday she made a trip to Oneonta and conferred with several officials. She left apparently well impressed with the work being done here. The local chapter was pleased that she visited it, and expresses a desire to have her return.

Among the many knitters for the Oneonta society is Mrs. William C. Walling, 80 years of age, who lives with her daughter, Mrs. W. I. Bolton. Since February 22 she has knit 20 pairs of socks.

Donations were received yesterday from Miss Elizabeth Salisbury, \$1, and Miss Elizabeth Brown, \$3.

The Milford branch has sent in 70 scarves; Schenectady, 35 absorbent pads.

**LIBERTY LOAN RALLY.**

Historic Window Display and Patriotic Program at Shearer's Music Store.

Much interest has been shown in the Women's Liberty Loan rally to be held in the Shearer Music company's store this afternoon and evening. Mrs. William W. Capron is captain of the squad having in charge the program.

In addition to the window display in which will be impersonated Betsy Ross weaving the American flag assisted by others wearing the colonial garb, a program in the body of the store will be put on at 3 o'clock and 8 o'clock. Musical numbers will be rendered and also two short addresses in the afternoon and two also in the evening. Of course the women will receive any applications from prospective bond buyers.

The speakers for the two sessions will be Charles E. Westervelt at 3:30, Dr. George J. Dann at 8 and Mayor A. E. Ceperley at 8:30. There will be no admission charged.

**LOCAL OPTION VOTE CANVASSED**

Results as Given in The Star Thursday Morning Correct.

The common council met last evening and canvassed the vote of the city on local option, the totals reached by the city clerk agreeing with those given in The Star of Thursday morning with the exception of a single vote on hotels, for which there was one additional vote for "no" on the fourth or hotel proposition. The result was tabulated and will be certified.

The council also audited the bills for the election boards which embrace two days of registration for which each of 27 men receive \$15 or \$7.50 for each day and for the two days of the election 64 men receive the same pay, making the total for the boards of \$1,440.

It was stated that the legislature had provided a day for the party enrollment of the women voters, but no copy of the law has been received here and no details can be given. It is expected that a copy of the law will shortly be received.

**SCANDAL IN HIGH LIFE.**

Mutt and Jeff Divorced, But Is Only in a Play.

Reports from other cities pronounce the newest Bud Fisher cartoon comedy, with musical and terpsichorean embellishments, "Mutt and Jeff Divorced," as one of the laugh hits of the generation.

It's divorce that agitates the rollicking pair this time, and the subject is shot at from a thousand comic slants in three uproarious acts, that pass, it is said, with the fleetest wings.

This new Bud Fischer musical hit comes to the Theatre Oneonta Tuesday afternoon and evening. Bargain matinee 25c, 50c. Evening 25c, 50c, 75c, \$1.00.

### VETERAN FIREMAN DEAD.

J. Harrison Collins Passes Away At Hospital at Phoenix Mills.

J. Harrison Collins, for more than 50 years a member of the volunteer fire companies of the city and of the Veteran Firemen's association since the paid department was organized, passed away at the hospital at Phoenix Mills yesterday morning after a short illness. He went to Phoenix Mills only a few weeks ago and most of the time since has been in the hospital. He gave evidence of being in a serious decline before leaving the city. The funeral services will be held Sunday afternoon at 2:30 o'clock from the McCrum parlors with Dr. Russell officiating and interment will be in the family plot at the Platts cemetery. The funeral arrangements are in charge of the Veteran's association.

Mr. Collins was for years a well-known character in the city and at one time quite prominent in its social life. He came here from Columbia county in the early sixties. It is believed, and after a short residence at the Plains, then conducting a general store in the city and remained with them until the firm dissolved. Later he was employed at Brown's hardware store. At one time he embarked in building operations and owned considerable property. His age was 52 years.

He was intensely interested in the Veteran Firemen's association, and was for years a conspicuous figure in the floral parade at the Oneonta fair. He usually rode horseback and carried a banner celebrating the attractions of the fair. He was a member of the first fire company, the Resolute, and later with the Oneonta Steamer company. Surviving him is one sister, Miss Gertrude, who was long his housekeeper. She is now at Phoenix Mills.

**DEATHS.**

**Mrs. Beula Trask Emerson.**

Unadilla, April 19. — Mrs. Beula Trask Emerson, aged 31, passed peacefully away at her home in this village yesterday from grip with complications. The funeral will be held from her late home on Monday at 1 p. m. Rev. Yale Lyon, pastor of St. Matthew's church, will officiate and burial will be made in Otego.

She was born in Otego, where she lived until last March, when she came to Unadilla. Mrs. Emerson is survived by her husband, parents, Elmer and Jennie Trask; one son, aged four; two sisters, Mrs. Mary T. Chapin and Mrs. George Bidwell; and four brothers, Leon, Arthur, Barrett and Edmund.

**Funeral of M. E. Bartow.**

The funeral services of the late M. Emory Bartow were held yesterday afternoon from the family home, 19 High street, with Rev. E. M. Johns officiating. There was a delegation of G. A. R. men and of men from the D. & H. shops, where he was formerly employed, in attendance, in addition to the family and friends in attendance. The bearers were E. W. Spencer, Earl Parish, Charles Delong and James R. Gerling. The burial was at Glenwood cemetery.

Among the relatives from away in attendance were Mr. and Mrs. Charles Bartow and Mrs. Oestrich of Walton and Miss Edith Bradley of Smyrna. Adelbert Jones of Masonville, who was his tentmate and old comrade in the war, was also in attendance, coming, though in advanced years, by motor car for final tribute of respect. There were numerous pretty floral offerings.

**Death of Andrew Sharpe Hunter.**

Announcement is made of the death in New York city on Wednesday evening of Andrew Sharpe Hunter, a leading business man of Utica and long at the head of the large dry goods firm of A. S. & T. Hunter of that city. Mr. Hunter's death occurred at the Hotel Biltmore in New York city, where he had been ill since April 8. He leaves a wife and three children, also a sister and two brothers, one of them William A. Hunter of Oneonta, who left yesterday to attend the funeral which will be held at 2:30 this afternoon. The death of A. S. Hunter will be deeply felt in the city, of which for so many years he had been a prominent citizen.

## Case Tractor

A Practical and Economical Kerosene Tractor.

Does your work quicker, better and cheaper than horses. Sooner or later you must tractorize your farm. Now is the most opportune time to do it, for now we need more crops. Deeper plowing with a tractor will increase your crop yields. Besides labor is already at a premium and a Case 9-18 will reduce the man labor which would be required if horses only were used.

Necessity demands the tractor. Time, labor and money can be saved by its use. That has been proved as most owners of Case tractors can testify. One of our customers, Leon Gile of New Berlin, N. Y., plowed 20 acres in 23 hours.

Buy a tractor, but before you select one, know all the facts regarding this Case 9-18. Call at our sales room and see this tractor.

## WEST END HAPPENINGS.

Return of Rev. J. C. Johnson to Elm Park Church Cordially Welcomed.

Rev. J. C. Johnson, who has been pastor of the Elm Park Methodist Episcopal church the past year, attended the recent session of the conference at Wilkes-Barre, Pa., and is returned as pastor for the coming year, which fact is cordially welcomed by all members of the church and congregation. He is one of the best preachers and is doing an excellent work with this church.

Beginning next Thursday evening the young people of the church will organize a young people's bible class which will meet Thursday evening instead of the regular prayer meeting. The D. Y. E. class of the Sunday school met recently with Mrs. Hubbell and a business session held. Mrs. Hubbell served dairy refreshments.

## Agreeably Surprised.

Miss Arwina Blanchard of Lower Chestnut street was completely surprised at her home Wednesday evening. Upon returning from a short walk she found about 40 of her friends present to greet her. Music and games furnished pleasure for the entire evening. Delicious refreshments were served.

## Among the Sick.

Miss Wells, principal of the Chestnut street school is confined to her home by sickness. Miss Hitchcock is taking her place in the school.

Miss Beatrice Preston of 350 Chestnut street is confined to her home by illness. Dr. E. J. Parish is attending her.

Mrs. Howard Odell of 35 West End avenue is confined to her home by an attack of the grip. She is under the care of Dr. Tarbox.

## Personals.

Mr. and Mrs. Alton VanWoert of Otego spent the day Wednesday with her parents, Mr. and Mrs. Hubbell, of Chestnut street. Mrs. Charles Campbell of Ceperley avenue spent a few days recently with her mother at Delanson. Mrs. John Brand of Otego was pleasantly entertained at the home of Mrs. Daniel Rose of Chestnut street yesterday.

## SECRETARY OF STATE HUGO

To Address Liberty Loan Rally in Unadilla Monday Evening—Bainbridge Band to Play—Allotment is \$65,000.

Unadilla, April 19.—(Special).—Secretary of State Francis M. Hugo of Watertown will be the speaker at the Third Liberty Loan meeting to be held at assembly hall in Unadilla Monday evening, April 22, a fact which presages the largest and most patriotic assemblage in the history of that township, as the Secretary is one of the most eloquent and sought after speakers of the present time. The distinguished gentleman will arrive on the evening train from Albany and will be the house guest of Hon. Charles C. Flaesch, at "Twin Pines" over night. Owing to the very limited time before the meeting, no formal function is planned, although he will undoubtedly meet the ranking local officials who will join in a hearty welcome to such a prominent citizen.

The Bainbridge band has been secured for the occasion and a parade is scheduled, with A. E. Pixley as marshal, it being expected that the local Red Cross, Fire Department, Boy Scouts and different fraternal organizations will be in line.

The exercises will commence at Assembly hall immediately following the parade, with Mr. Flaesch presiding. After the speech of Secretary Hugo, a huge black board will be displayed and subscriptions asked towards the \$65,000 allotment for this town. Subscriptions are already coming in fast, and it is the hope of the local committee to go over the top twice fold. At the close of the meeting, a tableau will be arranged representing one of the great posters of the present campaign.

Mr. Hugo will be tendered a reception at the close of the exercises.

## SUPERB MUSICAL COMEDY.

"Flo-Flo," at Theatre Oneonta Friday Evening Next.

John Cort will present his latest musical comedy success, "Flo-Flo," which is now crowding the Cort theatre, New York city, at the Theatre Oneonta, next Friday evening. The company to be seen here is the one Mr. Cort has especially organized for the Chicago engagement, which begins in the western metropolis May 6. No musical comedy of the Broadway season has been more persistently hummed and whistled into fame than "Flo-Flo." The most decided of the musical hits are "There's Only One Little Girl," "When a Small Town Girl Meets a Small Town Boy," and "I Don't Know What You See in Me." These numbers are being sung into popularity in every state in the Union. "I Don't Know What You See in Me" is one of the features in which Mr. Cort's "perfect 36" chorus comes to the front to establish its claim to being the only comedy chorus in captivity. The eccentric dancing of the girls in this number captivated the blasé New Yorkers. The chorus supports an excellent cast which includes Louise Kelley, Hal Skelley, Harry First, Bert Gardner, Blanche Bellaire, Mildred Beverley, Joseph Holland, Anna Sands, Innis Brothers and Cliff Hecklinger.

Prices at 50c, 75c, \$1, \$1.50, \$2. Seat sale opens Wednesday. All orders accompanied by check received now.

## CARRIERS' ENERGETIC DRIVE

Postal Employees Doing Fine Work in Thrift Stamps and War Certificates

The contest between the carriers of the Oneonta postoffice in selling Thrift Stamps and War Savings Certificates still continues and the rivalry between them is very intense at the present time. Carrier Hickey, who has led in the sales since the carriers commenced selling the stamps and this kind of bonds (War Savings Certificates) is still in the lead.

Mr. Hickey's sales, including April 15 were 1214 thrift stamps and 162 certificates. This represents in cash collected \$980. Carrier Burrows is second in sales made with 1,065 stamps and 44 certificates and carrier Richards is third with 795 stamps and 116 certificates, but stands second in amount of cash collected.

The carriers, who have from the beginning worked hard to sell the stamps and keep the sales on the increase, are hoping that the patrons of their routes will continue to make purchases from them.

The thrift stamps give the smallest investor a chance to help. If you can spare only money enough to buy one thrift stamp (25cents) you are doing a share. At the present time every little bit helps.

## Lenine's Threat

Lenine's threat that Russia may make war upon Japan would be more impressive if it were not known that Lenine speaks for Germany, not Russia, and also that the only "war" of which he and his associates are capable is the murder of unarmed and helpless Russians.—[New York Herald.

## L. C. B. A. Votes to Subscribe \$100,000

The supreme council of the Ladies' Catharine Benevolent association, in session in Washington recently, voted to subscribe \$100,000 to the Third Liberty Loan. The bonds are to be bought through the president of the association, Miss Kate Mahoney of Troy.

## WAS TORTURED FOR TEN YEARS

With Terrible Stomach Trouble Until She Tried "FRUIT-A-TIVES".

MRS. F. S. STOLZ

3307 Sacto Ave., Sacramento, Cal. "I had Stomach Trouble for 10 years, which became so bad that I got Stomach Cramps two or three times a week."

After years of terrible torture, I read about "Fruit-a-tives" or Fruit Liver Tablets, and sent for a trial box and wrote that it was the last remedy I would use—if "Fruit-a-tives" did not help me, I would die.

After taking the trial box, I felt better, so kept on taking "Fruit-a-tives" for nearly a year, and am thankful to say "Fruit-a-tives" saved my life. It also saved a friend from an operation for Stomach Trouble, after he had given up all hope of getting well."

Buick Makes New Sales Records

## REPUTATION STANDS SUPREME

No other motor car has ever attained such a good reputation. In twelve months the entire world has placed its stamp of approval by purchasing over One Hundred and Fifty Million Dollars' worth of goods marked "Buick." Everywhere Buicks are known as the best cars of their respective prices.

## WAR HAS INCREASED THE DEMAND FOR QUICK TRANSPORTATION

Railroads are inadequate, horses too slow, Buicks and other good automobiles are in greater demand than ever because they save time and energy, create vastly greater business activity and good health for all the family. They link the transportation gap and are the greatest benefit to mankind of any invention in twenty years. The vast number of motor cars make competition with the United States impossible. Motor Cars will win the war.

## BUICK VALVE-IN-HEAD MOTORS HAVE COMPLETELY TRIUMPHED

In the last fifteen years over 400,000 Buick Valve-in-Head Motor Cars have, without exception, been more reliable and developed greater power and speed on less fuel than any other motors of equal size. Airplanes and submarines, where the slightest flaw invites destruction, universally use valve-in-head motors for the same reasons. A Buick Valve-in-Head Motor Car will run 10,000 miles or 100,000 miles over hills, plains, snow or any roads with more certainty and on less fuel than any other motor car that receives the same care.

## BUICK FACTS

Buick used cars sell the quickest and for the highest prices. A Buick holds the world's greatest mileage record, 272,000 miles. Buick customers do most of our advertising. Buick cars are guaranteed for one year—few cars are guaranteed over ninety days.

The Verdict of the Test-Cars

4,178,744 Tire Miles

**GOODRICH TESTED TIRES**

OYEZ! OYEZ! OYEZ! Hear the Verdict of the Test Car Jury.

"Secure sure tire service in Tested Tires. They give sure service because it is proven service. Their endurance and durability have been proved in the one way to assure mileage to the motorist, under the car on the road, every type of road, throughout 4,178,744 tire miles."

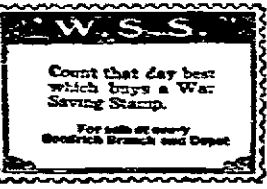

That is the verdict of the jury of Goodrich's forty Test Cars, which, for a year have hammered Goodrich Tires from state to state, putting the nation-wide test to them. Every kind of road, every kind of climate, every kind of weather shared in that verdict.

"These tires defeated us," the roads testified. On such testimony the verdict of the Test Cars proclaims, "Matchless in strength and dependability are Goodrich Tested Tires." Here is certainty of service for the tire user, because it is proven service.

SILVERTOWN CORDS, and BLACK SAFETY TREADS have proved themselves in actual road tests under light and heavy cars, conquerors of the road. Harkens to this verdict brought from America's roads, and make sure of your tire service in the tires that won the title "America's Tested Tires."
